Our resort spreads across 22 acres of land and is located on a beautiful cliff whilst also having a direct access to 180 meters of unspoiled beach. The venues you can see below are according to your wishes for the ceremony, sunset cocktail reception & dinner reception.

THE BEACH

One of the resort's most popular venues for weddings and dinner parties can hold up to 200 guests for either a standing or a seated style function.

Our Baan Taling Ngam beach is considered one of the quietest beaches on Koh Samui and it will provide a perfect private feel that all wedding couples are looking for.

THE AZURE LOUNGE

This exclusive venue perched high above the Gulf of Thailand with breathtaking panoramic views is our best location to watch the sun go down.

Popular for wedding ceremonies & sunset cocktail receptions, our Azure Lounge can hold up to 80 guests for a stand-up function or ceremonies for up to 80 guests.

THE BEACHFRONT LAWN

If privacy is your most desired attribute for your wedding or event venue, our beachfront lawn is the perfect choice.

This is our only venue which incorporates a requirement of booking accommodation, specifically four Beachfront Pool Villas located on the grass lawn which also help to create a private villa wedding feel for up to 200 guests.

THE PRIVATE PIER

For those couples who wish to do something a little different, our private pier provides the perfect unique factor.

Elegant and romantic, our private pier is most suitable for smaller wedding ceremonies for up to 50 people.

THE INFINITY POOL

Walk on the water and say yes !

We are proud to present our new transparent pool stage, which offer a unique setup with infinity views over the palm grove, mountain and sea.

This area is also the perfect location for a seated dinner reception or a casual stand-up cocktail event. It is most suited for 80 people seated or standing.
