# Did You Know!?

## MALDIVES COOL FACTS

**It's the flattest**  
country in the world, with  
the average ground level  
measuring only 1.5 meters!

**99%**  
of the country is made  
up of water! There are  
1,190 coral islands and  
26 atolls over 90,000 sq  
km!

**An atoll**  
is a ring-like coral island  
surrounding a lagoon.

## Legend

has it that the Maldives was established by an exiled Indian prince!

The weekend  
is on Friday and Saturday!  
**#FriYay**

They used to  
use shells as money!

**At least 23**  
different species of  
dolphins and whales can  
be seen in the ocean  
waters of Maldives.

Have a romantic candlelight BBQ dinner for couples or families on the beach with a private chef, accompanied by the smoky and slightly charred aroma of flame-grilled seafood and steaks paired with a chilled glass of wine.

underwater

# House Reef Snorkeling

Need an extra pair of hands to capture a moment with Dori & Nemo? Join in free of charge on daily house reef snorkeling tours guided by our 5\* PADI Dive Centre crew! Happys daily at 11am.

It's on us!

Snorkeling test is required prior to leasing the complimentary equipment and joining the trip.

# Whaleshark Trip

Join us for a whale shark trip to capture a selfie with the friendly giant of the sea. As the largest fish in the sea, reaching lengths of 40 feet or more, whale sharks have an enormous menu which to choose from. Fortunately for most sea-dwellers—and us, their favorite meal is plankton.

---

8:30am - 1:30pm on selected dates. 6 pax min. Advance reservation required.

# Sandbank Snorkeling

The beautiful and abundant marine wildlife at Velavaru means snorkeling anywhere close to the island is already a feast for the eyes. Enhance the experience by embarking on a guided snorkeling trip to explore incredible coral reefs and the significant role each species plays in the marine ecosystem.

---

8:30am -10:30am & 2:00pm - 4:00pm on selected days. Advance reservation required.

# Discover Scuba Diving

Learn about a whole new world and explore the rich and diverse marine life in your first guided dive with a PADI certified instructor. DSD course takes two hours to complete and includes a dive to up to 12 meters at Angsana Velavaru Housereef.

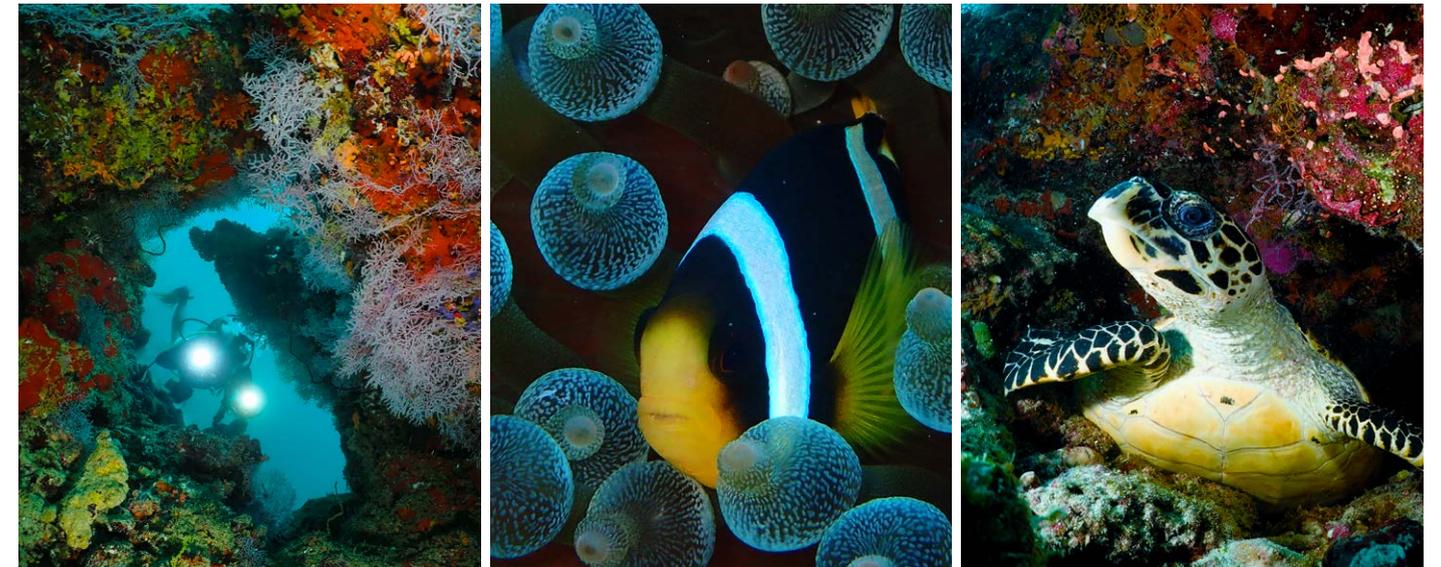

---

Daily from 8:30am -10:30am & 2:00pm - 4:00pm.  
Advance reservation required.

# Two Tank Dive

For novice divers, the house reef and neighboring coral gardens provide calm and buzzing ecosystems. For more experienced divers, the two tank dive explores couple of vibrant dive sites and a high likelihood of seeing the big stuff.

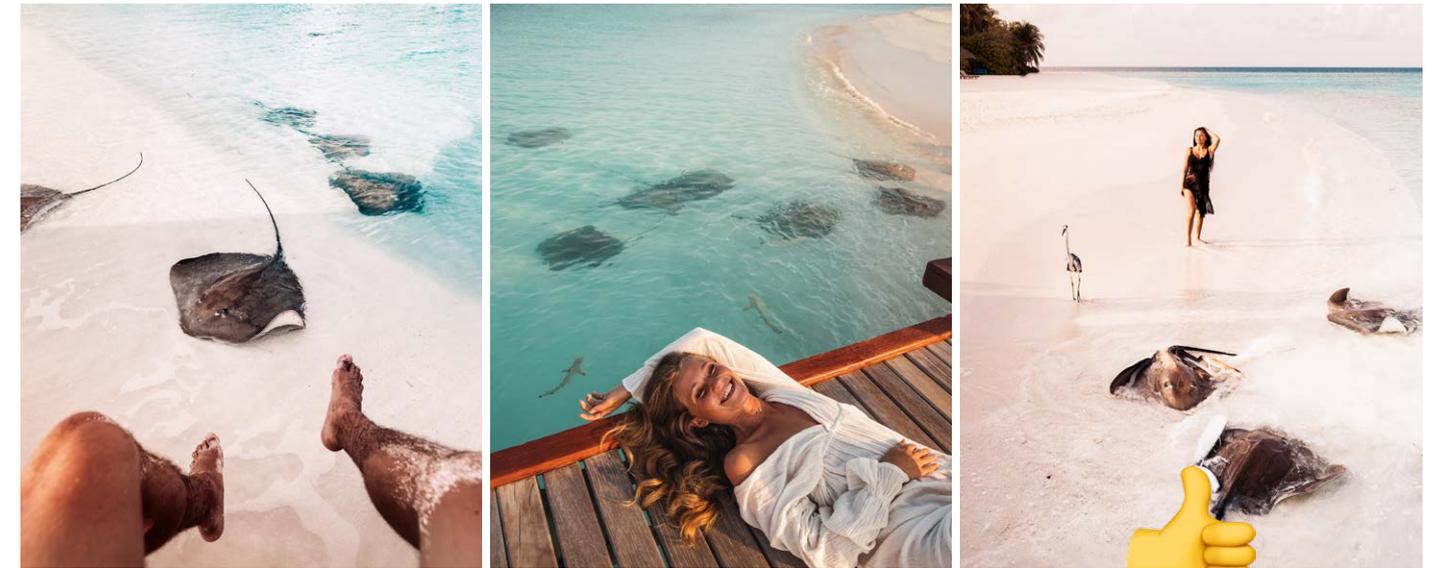

---

Price varies depending on the equipment you hold.  
Additional equipment available for rent.  
Daily from 8:30am - 12:00am. Advance reservation required.

sustainability &  
community

# Stingray Feeding

Don't miss on your chance to meet the resident stingrays - Chilla, Ali, Joe & Ziggy. Join the Marine Conservation Lab team everyday at 5pm at arrival jetty to learn more about these incredibly intelligent species of elasmobranchii.

It's on us!

# Lovebirds Feeding

Get closer to nature. Let our lovebirds and parakeets step on your palm to capture this very popular Instagram moment!

It's on us!

Daily at 10:30am & 16:30pm.  
Meeting point lovebird cage  
in front of Dive Centre.

# Coral Planting

Coral reefs hold the highest biodiversity in the ocean, spanning less than 1% of the world ocean surface, but holding up to 30% of all marine species in the world. Our Marine Conservation Lab encourages coral planting as a way to restore damaged reefs. You and your family too can be a part of it!

It's on us!

From 3:00pm - 3:45pm on selected days.

# Citizen Science Snorkeling

Join the resident Marine Biologist and learn more about the abundant biodiversity of Angsana Velavaru house reef. Add to our long term data project and become a citizen scientist for Banyan Tree Marine Labs!

It's on us!

# Snorkeling Safari

Join the resident Marine Biologist on an adventurous safari. Explore nearby reefs and learn about the unique ecosystem of coral reefs. Photos will be taken during the snorkeling trip and given upon request.

---

2pm - 4pm on selected days.  
Advance reservation required.

# Night Snorkeling

On our housereef, there is a huge variety of coral, fish, sharks and other nocturnal organisms. Night snorkeling is an excellent way to spot them in their natural active states and to learn more about the reef ecosystem at night.

---

From 6:15pm - 7:30pm on selected days.  
Advance reservation required.

# Half Day Marine Discovery

Take a day out of the island on the luxury boat guided by the resident Marine Biologist. Discover secret islands & reefs of Maldives teeming with marine life and colorful coral. Bento Breakfast & Lunch is served on board, while during breaks, Marine Biologist gives educational presentations on the underwater life & environmental protection.

---

From 2pm - 4pm on selected days.  
Advance reservation required.

# Reef Clean-Up

Angsana Velavaru has dedicated a day where we remove coral predators from the ecosystem. If left unchecked, these predators can devastate vast areas of the coral reefs.

**It's on us!**

---

Please contact our Marine Lab for more info & next scheduled activity.

# Local Island Visit

Take a guided tour of a local island and gain first hand knowledge of Maldivian rich culture and old customs and traditions of living in an isolate environment in the middle of the Indian Ocean.

---

2:00pm - 3:30pm on selected days.  
1 day advance reservation required.

# Maldivian Culture & Myths

Join our CSR Ambassador in a presentation and learn more about the vibrant culture and magical myths of the Maldives! Did you know Maldivians believed in sea monsters and used shells as money!?

It's on us!

# Marine Talk

The Marine Conservation Lab has an intense conservation program to create awareness and replant coral reefs as well as to protect endangered species of marine life. The experts at the lab are always eager to share their progress and give talks to ensure that your next generation can continue to enjoy the natural beauty of Maldives.

It's on us!

sports

# Jet Ski

Get on a thrilling jet ski ride, explore the Velavaru lagoon and experience the sheer rush of motorized water sports.
